Bill Analysis

House Bill 4025 **Vacancy on TRS Board**

Sponsor: Mautino, Frank

Summary: The legislation requires an election for an elected Trustee if the vacated position has more than six months remaining on the term.

Background: Currently the statute does not require that an election must occur for vacancies of elected members on the TRS Board of Trustees. The Board is required to fill the vacancy with a qualified person to serve for the period of the unexpired term.

Digest: The legislation provides that the Board shall fill a vacancy for an elected member if there are no more than six months remaining on the term. If the remaining term exceeds six months, an election shall occur in accordance with statute.
